SITE SUPERVISOR

On a day-to-day basis, you will be responsible for monitoring construction activities, taking part in the coordination of interdisciplinary work, and verifying that electromechanical work meets the required quality and complies with applicable codes, standards and contract requirements. You will be Dupras Ledoux's main representative on the sites under your responsibility. You will report to the site supervision team leader and collaborate directly with project managers. You can choose to work from our Montréal, Brossard or Sainte-Thérèse office, on sites located in the Greater Montréal Area.

What responsibilities and tasks can you expect?

- Review shop drawings
- Inspect work on site
- Verify installations against drawings and specifications
- Follow up on change notices and change orders
- Prepare payment recommendations and review change notice costs
- Make sure all program changes are communicated to the project manager
- Make sure potential conflicts are flagged to project managers
- Ensure installations allow for proper equipment maintenance
- Build interdisciplinary relationships and maintain good communication with internal and external stakeholders

What are the requirements for this position?

- Technician or engineer with on-site expertise in building construction
- 3 to 5 years of experience
- ASP Construction health and safety card (an asset)
- Must have a vehicle

What skills are we looking for?

- Working knowledge of English required to understand the many technical references used in our industry
- English is used anywhere from occasionally to daily, depending on current projects and clients
- Basic knowledge of the disciplines listed above
- Proficiency in Microsoft Office and specialized software
- Knowledge of Quebec construction codes and standards
- Knowledge of Procore (an asset)

What qualities are we looking for?

- Discretion
- Autonomy
- Organization and time management
- Sound judgment and loyalty
- Team spirit
- Strong communication and negotiation skills
- Interpersonal skills
- Analytical and synthesis skills

Why join our team?

With more than 65 years of experience, Dupras Ledoux is a consulting engineering firm specializing in building mechanical and electrical engineering, with offices in Montréal, Brossard and Sainte-Thérèse. Dupras Ledoux employs nearly 100 people with a wide range of skills and areas of expertise, from all walks of life. We are a multicultural team that promotes inclusion and sees diversity as a real strength. We value fairness and dignity for all, regardless of gender, ethnic origin, religion, age, sexual orientation or any other aspect of identity.

At Dupras Ledoux, you will have the opportunity to work on a wide range of projects, from institutional buildings to condo towers, as well as cultural centres, sports facilities and much more. The firm stands out for its commitment and its collaborative culture, where every team member, including our engineer partners, plays an active role in the design of each project. Join us for a rewarding career where you can learn from their experience and expertise while sharing your own ideas and talents.

Other benefits you'll enjoy:

- Enjoy competitive pay and a competitive benefits package;
- Work remotely with the high-performance tools we provide;
- Grow your RRSP with our annual contribution;
- Benefit from a group insurance plan: life, health, dental, disability, drug and even travel insurance, as well as a telemedicine service;
- Enjoy every Friday afternoon off thanks to our flexible schedule;
- Take part in activities organized by our Workplace Happiness Committee.
